 Proprietors.

RATES OF SUBSCRIPTION.
 THE DAILY BULLETIN will be delivered to any part of the city at 6 cents a week, or one year for \$3.

THE DAILY BULLETIN to any postoffice in the United States, postage prepaid, at twenty-five cents per month or three dollars per year.

SATURDAY EVENING, SEPT., 3, 1887.

The Sheriff of Jefferson County collected \$30,000 taxes in one day.

This bill for the western approach to the railroad bridge over Little Sandy will be completed within a few days.

McKELUP & Co., proprietors of the Grand View Hotel, have been granted license to retail spirituous, vinous and malt liquors.

CAPTAIN SAM LEAVY, State Senator from the Woodward-Scott-Jessamine district, has failed for \$15,000. Assets, one hundred and sixty acres of land.

MAYOR PEARCE announces his candidacy in this issue. He is serving his second term as Mayor, and has always been close and attentive to the discharge of his official duties. He has made a worthy and efficient officer.

JAMES H. ROGERS has sold all his land below the city to the Maysville and Big Sandy Railroad Company. The company was not satisfied with the award of the arbitrators, and other terms have been agreed upon. Mr. Rogers is to remove his distillery.

The first mortgage of the Columbus and Maysville Railroad to secure the issue of \$1,500,000 of bonds has been filed with the County Recorder of Fayette County, Ohio, by the Eastern Trustees—Messrs. W. Morton Grennell, Greenville P. Hawes and William M. Barnum.

They have struck sulphur water and iron water at Cynthiana, but no gas yet. At a depth of twenty-six feet a limestone rock was found that proved to be eighty feet thick. Beneath this was the sulphur water and at a depth of one hundred and seventy feet the iron water was struck.

The Greenup Gazette points to T. H. Paynter, Esq., of that place "as a Democratic pure and spotless, who would come nearer harmonizing all factions than any other man in this Congressional district." The Gazette adds: "He is young, ambitious, aggressive and brilliant. Good material for a Congressman."

The indications are that Green R. Kellar, of the Carlisle Mercury, will be Clerk of the House of Representatives in the next Legislature. He was Clerk of the last House, and demonstrated his fitness for the place in an eminently satisfactory manner. "Here's a looking at you," Mister Kellar. We want to see you get there.

The suit of R. H. Stanton against the City of Maysville for damages, in negligently permitting Front street to wash away, in the Fifth ward, to the injury of the property abutting thereupon, was erroneously reported in the proceedings of the City Council yesterday to be for permitting the river bank to wash off. Front street was originally dedicated to public use, and the plaintiff claims that it was as completely under the control of the corporation as any other street in the city.

CONSIDERABLE complaint is heard every now and then against the Maysville & Big Sandy Railroad Company, or rather against some of the contractors, for the manner in which some of the work of construction is being done. This complaint is not confined to this city it would seem, to judge from a special from Covington which says: "The new Huntington Southside Railroad, after crossing the Licking river from Campbell County, runs along Seventeenth street to an intersection with the main line of the Kentucky Central. There is a heavy grade from the river to Madison avenue and it was generally understood by the property owners along Seventeenth street that a handsome trestle would be built by the company. Instead of trestles, heavy embankments of earth are being thrown up along the street, upon which to build the road. This embankment is fifteen feet high and the streets will, of course, run through the fill. It is a great damage to adjoining property. The matter is beginning to create a stir."

J. W. FITZGERALD, of this city, was awarded first premium Thursday at the Columbus, O., State Fair on "best mare or gelding three years old and under four."

REGULAR services will be held in the Central Presbyterian Church to-morrow. Preaching by the pastor, Rev. R. Cecil, at 11 a. m. and 7:30 p. m. Sunday school and Bible class at 9:30 a. m. Until further notice the hour for the evening service and for prayer meeting, on Wednesday evenings, will be 7:30 o'clock.

THERE are four prisoners in jail at Flemingsburg charged either with rape or attempted rape. Our readers need not be surprised to hear of a whole sale lynching on there soon.

The above was written yesterday afternoon. The lynching took place last night, but the crowd seems to have forgotten that there was more than one rapist in the jail.

A SHOOTING affray occurred Thursday night at Cynthiana between two prominent citizens. The parties were R. H. Wills and J. M. Keller, both livery men and stock buyers. It appears that a dispute arose about some money. A special says Keller went to Wills' stable, where several harsh words were passed. Keller and Wills picked up chairs at the same time Wills knocked the one out of Keller's hand, who drew his pistol and fired one shot at Wills, but luckily it did not touch him.

It Should be Generally Known that the multitude of diseases of a scrofulous nature generally proceed from a torpid condition of the liver. The blood becomes impure because the liver does not act properly and work off the poison from the system, and the certain results are blotches, pimples, eruptions, swellings, tumors, ulcers and kindred affections, or settling upon the lungs and poisoning their delicate tissues, until ulceration, breaking down, and consumption is established. Dr. Pierce's "Golden Medical Discovery" will, by acting upon the liver and purifying the blood, cure all these diseases.

An End to Bone Scraping. Edward Shephard, of Harrisburg, Ill., says: "Having received so much benefit from Electric Bitters, I feel it my duty to let suffering humanity know it. Have had a running sore on my leg for eight years; my doctors told me I would have to have the bone scraped or leg amputated. I used, instead, three bottles of Electric Bitters and seven boxes Bucklen's Arnica Salve, and my leg is now sound and well."

Electric Bitters are sold at fifty cents a bottle, and Bucklen's Arnica Salve at 25c per box by J. C. Pecor & Co., and S. P. Campbell & Co., of Aberdeen Ohio.

A Captain's Fortunate Discovery. Capt. Coleman, schr. Weymouth, plying between Atlantic City and N. Y., had been troubled with a cough so that he was unable to sleep, and was induced to try Dr. King's New Discovery for consumption. It not only gave him instant relief, but allayed the extreme soreness in his breast. His children were similarly affected and a single dose had the same happy effect. Dr. King's New Discovery is now the standard remedy in the Coleman household and on board the schooner. Free trial bottles of this standard remedy at the drug stores of J. C. Pecor & Co., and S. P. Campbell & Co., of Aberdeen Ohio.

Brace Up. You are feeling depressed, your appetite is poor, you are bothered with headache, you are fidgety, nervous and generally out of sorts, and want to brace up. Brace up, but not with stimulants, spring medicines, or bitters, which have for their basis very cheap, bad whisky, and which stimulate you for an hour, and then leave you in worse condition than before. What you want is an alternative that will purify your blood, start healthy action of liver and kidneys, restore your vitality, and give renewed health and strength. Such a medicine you will find in Electric Bitters, and only 50 cents a bottle at the drug stores of J. C. Pecor & Co., and S. P. Campbell & Co., of Aberdeen Ohio.

City Items. Try Langdon's City Butter Crackers. Ask your grocer for Foerster's City Butter Crackers. They are the best.

The chinch bug eats the farmer's grain. The bee moth spoils his honey. The bed-bug fills him full of pain. The humbug steals his money. —Flaionia (Tex.) Argus.

A Narrow Escape. A little son of Christopher Howard, of Mayslick, came near drowning Thursday afternoon. The child is but four or five years of age. While playing about his father's premises he fell into a deep well. Fortunately he was seen to fall, and a crowd at once collected. After some little delay, Mr. Rich Hopper succeeded in reaching the little fellow by means of a pole that had been lowered into the well. Holding to the child with one hand and to the pole with the other, Mr. Hopper was then drawn out. It was a narrow escape for the little fellow, and the parents were profuse in their blessings upon Mr. Hopper and others for rescuing the child.

SERVICES to-morrow, morning and evening, in the Church of the Nativity, conducted by Rev. D. D. Chapin, the new rector.

MR. HORACE JANUARY, of Maysville, and formerly Mayor of that city, was in town one day last week. Mr. January is almost blind, being hopelessly afflicted. He was returning from White Sulphur where he had been to consult Dr. Original Young.—Owingsville Outlook.

THE Republicans of Adams County, O., have nominated the following ticket: For Representative, W. A. Blair; Auditor, J. W. Jones; Treasurer, S. S. Alexander, Sheriff, Mr. Zell; Probate Judge J. C. Reinehart; Prosecuting Attorney, John W. Cook; Commissioner, Mr. Eaton; Infirmary Director, Nelson Moore; Surveyor, Thomas Foster.

"THE Treasury surplus," says the Cincinnati Enquirer, "still grows apace. Note the record for the month of August. Despite the fact that nearly \$17,000,000 were paid out for pensions, the receipts of the month exceeded the expenditures by some \$8,000,000. This is the result of the Republican policy of keeping up war taxes in time of peace."

RIFFE & TAYLOR, successors to Riffe & Henderson, have a stock of drugs, medicines and chemicals at wholesale and retail. Pure wines and liquors. Toilet articles and stationery of every description. Sponges, chamois, face powders and perfumes, brushes, &c. Your patronage solicited. Prescriptions filled day and night.

An entertainment that was heartily enjoyed by all present was given last evening at the new residence of Mr. J. B. Orr, on East Third street, by some of the members of the Limestone Club. Good music and dancing from 8 o'clock till 12, when the guests were served with an elegant supper. Dancing was then continued until the "wee sma" hours of the morning.

THE Commissioners appointed by the County Court in the case of the Maysville & Big Sandy Railroad Company, against R. A. Cochran, Jr., and others have made the following awards for damages for right of way: R. A. Cochran, Jr., \$900 on land and \$100 incidental; Godfrey Miller's heirs, \$600 on land and \$50 incidental; Chambers heirs, \$150 on land and \$125 incidental.

THE contractors are having some trouble in transferring the heavy iron for the railroad from the depot to Front street. One of the large pieces for the long span at the foot of Market was loaded upon a couple of wagons yesterday. It is about sixty-six feet in length and weighs twelve tons. Opposite the Central Presbyterian Church the wagons were about to let down and the iron was transferred to trucks on the track of the street railway and brought to Market street in that manner. It took a force of hands all night to finish the undertaking.

WOULD BE RAPIST LYNCHED.

Charles Coleman Strung up at Flemingsburg for an Attempted Outrage.

The news from Flemingsburg this morning was that Charles Coleman was lynched at that place some time last night by a mob. The particulars of the affair have not been learned.

Coleman is the negro fiend who attempted to rape Mrs. Ringwood and Miss Ella Sweeney at the home of the former near Bald Hill, Fleming County, Sunday night, August the 28th. Mrs. Ringwood is a widow, and Miss Sweeney, whose home is near Mayslick, was visiting her at the time.

The Flemingsburg Times-Democrat says that on the evening in question "Coleman, who had been working for Mr. Dearing, a close neighbor of Mrs. Ringwood, came to the house, burst in the door, followed Mrs. Ringwood and Miss Sweeney up stairs, where they fled on his entrance, knocked Mrs. Ringwood down, bruising her severely, and then seized Miss Sweeney and dragged her down stairs and out into the front yard some distance from the house in spite of her resistance, having almost choked her into insensibility, but as he relaxed his grasp upon her throat, she at once called for help at the top of her voice, leading him to believe some one was entering the yard to rescue her, when he released her and ran off. The alarm was given at once, and the neighbors aroused, but the fiend was not captured until the following morning, when he was found in the barn at Mat. Dearing's by Sheriff R. B. Kendall and Colonel R. J. Samuel. On being taken before Miss Sweeney, she positively identified him, but said that he had changed his hat. A party then went back to the barn and found the hat described by her, with blood on it."

Coleman's examining trial had been set for to-day, but the enraged citizens have put an end to his career. An attempt was made last Wednesday night by about one hundred negroes to mob Coleman, but they lacked a leader and the matter was given up for the time being.

There have been two other rapists in the jail for some time—the Pugh brothers—but they were not disturbed last night. It was thought at Flemingsburg this morning that an attempt will be made to-night to lynch the Pughs.

THE annual report of L. W. Galbraith as County Superintendent of schools was made yesterday. During the past school year he disbursed in this county \$11,374 80 from the State fund.

Noah Shelton, aged twenty-one years, son of J. Shelton, was badly hurt Thursday by the falling of a derrick while he was at work on the abutments for the railroad bridge at Lawrence Creek. He was struck by one of the heavy timbers, and it was thought at first his injuries would prove fatal. He was reported better yesterday, however, and his physician says he will recover, if not hurt internally.

A Jealous Husband's Fearful Fate.

DETROIT, Mich., Sept. 3.—Last night Joel Parent, a farmer fifty years of age, living about eight miles from Windsor, Ont., shot and mortally wounded his wife, who was thirty years his junior. Thinking he had killed her, he rushed from the house with the revolver in his hand. A party of neighbors was organized and started in pursuit. Parent was found in a field some distance from the house with three wounds in his breast, as though made with the times of a pitchfork. He had been dead some time. It is supposed that the old man went into the field with the intention of shooting a farm hand of whom he was jealous, and had been stabbed in self-defense. The hired man has not yet been found.

Killed While Hunting.

TROUBLE BREWING.

G. A. R. Men Interested in the Coming Encampment at St. Louis.

NEW YORK, Sept. 3.—A special to the Tribune from Pittsburgh says there was an excited gathering of military and legal men last evening in the office of a prominent lawyer. The matter under discussion was the treatment which the Grand Army men were likely to receive at St. Louis during the coming National encampment. Capt. A. B. Hay thought there was no doubt that trouble would arise. "I am perfectly willing to march under any one's picture," he said, "and I think the more steady G. A. R. men would do so also. But there are always some hot-headed men in our ranks, and the least thing which appears like an indignity to them raises their anger. It is hard to say what might happen under the circumstances. The people of St. Louis are extremely foolish if they intend hanging up any emblem likely to raise the animosity of the Grand Army men. While I will not refuse to give due honor to President Cleveland as the executive of the United States, I nevertheless have but little respect for him as a friend of the Federal soldiers."

Gen. Pearson, who is a Democrat, said: "I am a delegate to the National encampment, and I am sorry the St. Louis newspapers and people have continued the Wheeling trouble. While I cannot speak authoritatively in the matter it is my opinion that if the G. A. R. was compelled to march under obnoxious banners in the parade there would be trouble of a serious nature. I think the best course we can adopt is to go to St. Louis, attend to the routine business of our annual meeting, and after that adjourn. There is no necessity for a parade, and it is only done in honor of the people who are kind enough to invite us to their city."

Prominent St. Louis Man Dead.

ST. LOUIS, Sept. 3.—A few minutes after midnight yesterday morning, Mr. John E. Cousins, United States marshal for the eastern district of Missouri, died of dropsy at his home, No. 3451 Chestnut street, in this city, aged seventy-three. Mr. Cousins had been a resident of St. Louis for fifty-one years, and during that time had filled the positions of chief of the fire department, chief of police, inspector of buildings, inspector of customs, and finally, three years ago, was appointed United States marshal of the eastern district of Missouri, which office he continued to hold until the time of his death. He leaves two children—a daughter, Miss Phoebe Cousins, the well known lecturer and advocate of female suffrage, and a son, John, both of whom were deputy marshals in his office.

How Ives & Co. Transacted Business.

NEW YORK, Sept. 3.—George J. Bland, a Cincinnati, Hamilton & Dayton common stockholder, has begun an action in the United States district court, to have declared void the preferred Cincinnati, Hamilton & Dayton stock issued by Ives & Co. He alleges the \$9,000,000 stock was fraudulently issued to themselves, the firm paying for the stock in worthless checks drawn upon themselves. Mr. Bland says the stock was then hypothecated and \$4,000,000 given as security for money borrowed for their own use. Mr. Bland's complaint is interesting, as showing exactly how Ives & Co. made money after once getting control of a railroad or other valuable property.

Fell Forty Feet.

CINCINNATI, Sept. 3.—By the giving way of a scaffold at the new building of the American Oak Leather tannery, corner of Dalton and McLean avenues, two workmen, John Hendricks, aged thirty-four, of No. 14 East Fifth street, and Emmett Hart, aged twenty-nine, of No. 20 Arch street, employees of the Sagendorph Roofing company, were precipitated to the ground, a distance of forty feet. Both men were picked up unconscious and conveyed to the Betts street hospital. Hart's leg was found to have been broken, and his face and body were terribly bruised and cut. He will live. Hendricks was internally injured and will die.

Excitement at Sheepshead.

NEW YORK, Sept. 3.—The alleged statements of Capt. Brown, charging Jockey Garrison with dishonesty in riding certain of the captain's horses caused great excitement at Sheepshead yesterday. Garrison denied the printed accusation manfully. He saw Capt. Brown in the secretary's office at the race track and in the presence of several persons Mr. Brown denied that he had made the charges credited to him. He said he believed Garrison thoroughly honest and the fact that Garrison rode for him yesterday was the best proof of this.

A Captain Kild Tale From the East.

PHILADELPHIA, Sept. 3.—A syndicate has leased a large tract of mountain land in Perry county upon the strength of a tradition that one hundred years ago a band of Spanish outlaws were secretly engaged in smelting silver ore and coining counterfeit money. Outcroppings of silver ore have been found which will assay \$4 to the ton, and also a valuable portion of lead slag was found, containing pieces of charcoal, which seems to confirm the tradition about the Spanish counterfeiters.

Helping the Irish Cause.

BOSTON, Sept. 3.—John Boyle O'Reilly yesterday received a letter from Mary Irene Hoyt, of New York, enclosing a check for \$100. Miss Hoyt wrote that during her recent visit to Boston, where she attended a meeting of Ireland's sympathizers, she became very much interested in the cause of Irish liberty, and her check was for the purpose of helping the cause along.

Mrs. McGarrigle Sails for Canada.

CHICAGO, Sept. 3.—Mrs. McGarrigle, wife of the fugitive warden, left the city last evening on the steamer Muskegon. She had with her the children of the family, and it is supposed they go to join the convicted boudier in Canada.

Only a Base Ball Rumor.

NEW YORK, Sept. 3.—With regard to the story that a syndicate of capitalists would, with the assistance of the Brotherhood of Base Ball players, form a new league and revolutionize base ball, John M. Ward, president of the Brotherhood, said last night: "There is not a word of truth in the story. If there was anything in it, I would know of it."

Notorious Horse Thief Arrested.

MADISON, Ind., Sept. 3.—The notorious Switzerland county horse thief, Simpson, was arrested here last night for stealing a valuable animal owned by Mr. Pleasant, of Vevay.

Fractured Her Skull.

SIDNEY, O., Sept. 3.—While Mrs. Mary Kelly, of this place, was visiting a son, two yards of plastering fell from the ceiling, fracturing her skull.
